■ Our range of goods

You will find second-hand goods in good condition at reasonable prices at t|raumland second-hand shops.

- Clothing
 - Furniture
 - Household items
 - Books
 - Electrical appliances
 - Toys
 - Antiques
 - Rarities
 - Curiosities
- and much more ...

■ Household clearances

We support you with your household clearances and de-cluttering. We will be happy to make you an offer.

We offer a delivery service for our goods.

■ Prospects for the labour market

t|raumland second-hand shops offer support for the integration of employable, long-term unemployed people into the labour market. This is done through participation in labour market policy projects and the use of labour market policy instruments of employment promotion.

t|raumland is open to everyone. We offer discounts on the complete range to people with low income.

■ Donations

We are happy to receive clothing, furniture and other items in good condition. You can drop them off at t|raumland or we can collect them at your home.

■ Common good

Through your purchase or donation, you support our work in the field of professional integration of long-term unemployed people. Your contribution can alleviate consequences of poverty and you make a valuable contribution to recycling and sustainability.

We are part of the FairWertung network. This ensures that your clothing donations are handled responsibly.
